How to add Talech loyalty to account:

To add loyalty to a talech account, you can:
1. Log in to talech.com
2. Toggle the Loyalty Program button to On
3. Name the loyalty program
4. Select the Campaign Type
5. Add rewards by selecting Rewards from Back Office > Settings > Loyalty
6. Select the + button to add a new reward
7. Fill out the fields to create the new reward
8. Select Save

You can also add points to a customer's account by:
1. Going to Back Office > Customers
2. Selecting the customer
3. Selecting the Loyalty tab
4. Selecting the pencil icon to open the edit menu
5. Entering a value in the points field
6. Selecting Done
7. Selecting Add Points
8. Selecting Save

You can also add a physical loyalty card to a customer profile by:
1. Going to Back Office > Customers
2. Selecting the customer
3. Swiping to the bottom of the Contact screen and selecting Loyalty Card Number
4. Manually entering the loyalty card number, scanning with a camera, or using a card swiper
